to even more clearly comply with U.S. practice, the paper and computer readable forms of the sequence listing submitted herewith are corrected to list "Tsuganezawa, Keiko" as the Applicant, as opposed to "Sumitomo Electric Industries, Co., Ltd." as indicated in the sequence listing filed February 16, 2001 and as indicated in the International Application. Furthermore, to be consistent with the executed Declaration being filed herewith, Applicant notes that the sequence listing being filed herewith indicates that the title of the invention is "Epimorphin of the Order Artiodactyla", as opposed to "Artiodactyla epimorphin" as indicated in the sequence listing filed February 16, 2001 and as indicated in the International Application.

In accordance with 37 C.F.R. 1.821(f), the undersigned hereby states that the information recorded in the computer readable form is identical to the written sequence listing.
